There are several small bills outstanding, that have not
been presented for payment, the amount not known by the
Treasurer.

For the Trustees,

M. C. RUSSELL, Clerk and Treasurer.

The undersigned, Auditors of Town Accounts, having examined the Treasurer's books for the fiscal year ending February, 1871, find them kept according to the system approved by the town;—the entries and postings correctly made, the footings and balance sheet accurate, and the charges for cash paid out supported by appropriate vouchers.

The Auditors notice a commendable economy in the expenditures of money; and beside the payment of several large sums for necessary improvements for which no specific appropriation was made, the floating debt has been reduced about nine thousand dollars.

We have also examined the books of the Treasurer of Forest Glade Cemetery, and find them neatly and accurately kept.

D. G. ROLLINS,
CHAS. E. BARTLETT.
